Muirs Rainforest Walk

1 Hr 1.5 km Return

Moderate track

3

350m

This is a good walk on a hot day. This walk leaves Muirs Lookout and descends through healthy blackbutt and blue gum forest to find a moist rainforest of ferns and mosses. A quiet sit and picnic within the rainforest would be lovely. This walk returns the same way you have come.

(770 *m* 19 *mins*) From Muirs Lookout and car park, this walk follows the track moderately steeply downhill, passing a 'Muirs Lookout Walking Track' sign(on your left) and walking between timber posts. Then this walk continues to follow the track through blackbutt and bluegum forest for about 800m, until coming to a No.16 timber post and moist rainforest gully.

0.77 | Rainforest at No.16 timber post

At the No. 16 timber post (along the Muirs walking trail), you are in a beautiful rainforest gully surrounded by a lush moist forest of cycads, ferns and mosses, with towering blackbutt and bluegum trees above. This cool moist spot is a great place to spend time on a hot dry day.
